

Video King Flashboards

7000 Flashboard

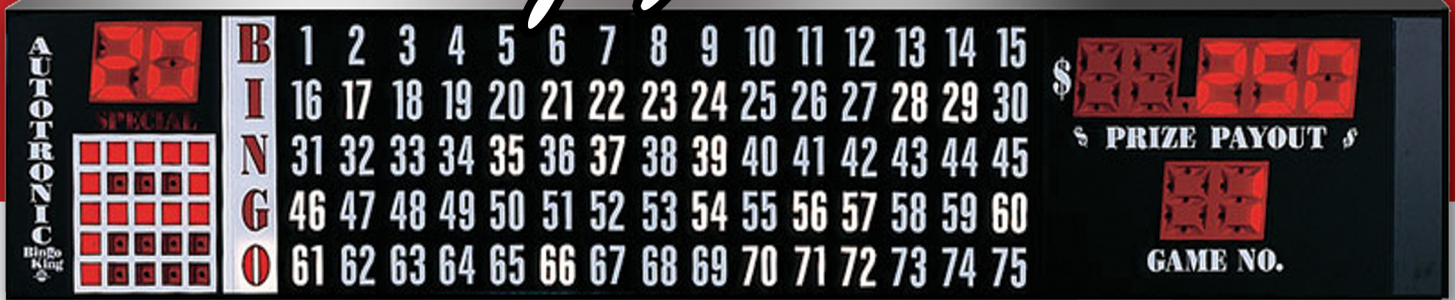

Modernistic design and user-friendly operation is what separates the 7000™ Flashboard from all others. Elegantly designed, the 7000 Flashboard is a perfect fit for facilities of all sizes. Key features include large, easy-to-read, 4" numbers. The flashboard is also available in the Bonanza Bingo™ version (Model No. 127000BZFBL), a game that is sweeping the nation. In addition, it's from Video King®, and that assures you outstanding performance and reliability. The 7000 enhances every phase of your operations – especially profits!
