America's Favorite Handset

LIL' CHAMP™

Lil' Champ™ – America's favorite handset – offers players a bright, color-rich screen, simple-to-use buttons and enhanced player options in a rugged and reliable package.

Lil' Champ – with its removable GamePack™ – provides 12 hours of uninterrupted fun with a 3-hour charge.

GamePack accepts downloads and charges its internal battery in a separate, light-weight, 15-slot rack.

Best of Breed Paws Down!!

For Managers

- Easy electronic card verification through Video King's PowerPlay™ consoles.
- Advanced interface integrates seamlessly with OMNI™, our revolutionary, multi-functional, bingo hall management system.
- Mass download feature for fast sales of standard bingo packages.
- Compact and versatile, Lil' Champ fits into any bingo hall environment and has been proven to be superior when used in electronic bingo routes.
- Internal monitoring of battery life and charge state ensures every download has enough charge to last the session.

For Players

- Plays all favorite games, including: Bingo Racing, Bonanza Bingo, Bonus Line, Double Action, Lucky Star and PowerPick-Em's.
- Upsales feature allows players to purchase additional cards or games at any time.
- Players determine the number of cards displayed, whether or not they see the flashboard with their cards, and their dauber shape and color.
- Players control how handset responds to RF signal.

- Highlights best pattern on each card face.
- Audible and visual bingo notifications.
- Displays up to 10 "on" numbers.
- Automatically displays best card after each ball call.
- Lil' Champ, our canine cartoon character, becomes more animated the closer you get to ...
